

GFCE Triple-I Day @LACIGF2019 Monday August 5, 2019 ATIX hotel, La Paz, Bolivia

Capacity Building towards a more trusted Internet experience in the region

DRAFT AGENDA

TIME	TOPIC(s)	PEOPLE
09:00	WELCOME & OPENING	Opening by <i>Lito Ibarra</i> , intro by <i>Maarten Botterman</i> —GFCE Triple-I
09:20	BLOCK I - Better Use of Today's Open Internet Standards	Introductions by <i>Daniel Fink</i> , (ICANN), <i>Gerardo Rada</i> (LACNIC)
~90	Presenting and discussion on the use and usefulness of	and <i>Lia Solis</i> (LACNOG, ISOC
minutes	Open Internet Standards such as DNSSEC/TLS/DANE, RPKI/ROA, DMARC/DKIM/SPF and IPv6	Bolivia), participation by all.
	Coffee/tea break	
11:25	BLOCK II - Inspiration from Good Practice Actions	
	Presentation and discussion of a number of global good practices and good practices from the region that are deemed potentially relevant for capacity building and to inspire action in the region	
II.a	Anti-abuse work	Lucimara Desidera (Chair, LAC AAWG; Member, M3AAWG) will
~60 minutes	The Internet is not good or bad in itself: it is how it is used that matters. Early detection of abuse (whether purposefully or by mistake) will help to contain damage by being able to alert users and actively take measures against the abuse. Globally, and in the region, working groups have been set up to actively detect and fight abuse by raising awareness on the key issues at hand, and take action to fight this abuse, together (#LACAAWG; #M3AAWG; #DAAR; etc)	provide a background on work currently going on in the region and world-wide, and will explain how other stakeholders can benefit from this, and contribute to this. Daniel Fink (ICANN, DAAR) will talk about ICANN's activities in fighting abuse in the DNS industry, and Israel Rosas (ISOC, MANRS) will talk about the importance of MANRS; Actors in the region are invited to share their experiences and engage in the discussion. Complementary for all participants
13:30	CERT collaboration	Lucimera Desidera (Member of
II.b	CSIRTs play a major role in fighting abuse. For CSIRT collaboration, trust is key. What are today key CERT concerns and activities, how can stakeholders benefit, and	CGI CERT and FIRST), will explore this together with other CERT Members. All participants are
~30 minutes	what stakeholders do to help?	invited to join the discussion and explore opportunities for joint action.

14:00	Secure IoT deployment: global insights in the way forward	Sebastian Bellagamba – Internet Society; Maarten Botterman – IGF
II.d	This presentation will cover some guidelines and	DC IoT
	recommendations from practice that Internet users,	
~ 60	governments and IoT manufacturers can follow to secure	Participants are invited to share
minutes	the Internet of Things, based on recent work by ISOC and	their concerns and insights with
	the IGF Dynamic Coalition on IoT.	regards to implementation of IoT as a "safe enabler" of benefit.
II.c	Other examples, practice	
11.0	Other exemplary practice	Speakers to be announced
~30	 National DNSSEC introductions; 	Participants are invited to discuss
minutes	- Internet.NL	the proposed way forward, and
		what role for MANRS in the region.

This workshop is initiated by the Global Forum for Cyber Expertise (https://www.thegfce.com) and is supported by LACIGF (https://lacigf.org/), LACTLD (https://www.lactld.org/), LACNIC (https://www.lacnic.net/), LACAAWG, nic.br/cgi.br (https://cgi.br/), ICANN (http://www.icann.org), Internet Society (http://www.informationsociety.org) and its Bolivian Chapter, and the Dutch Ministry of Economic Affairs and Climate.

The workshop will be held in English and Spanish, and where necessary, contributions/questions will be facilitated by consecutive translation in the room, as to ensure all participants can express themselves in the language they are most comfortable in.

For more information about GFCE Triple-I, including results of earlier events, please go to the GFCE Triple-I pages. If you are interested in improving the trusted Internet experience in your region ... if you are eager to meet with like-minded people from other sectors and learn together ... join us in La Paz on 5 August 2019, or contact the GFCE Triple-I facilitator Maarten Botterman to set up an event in your region.

For registration for the 2019 GFCE Triple-I event @LACIGF2019, on 5 August 2019 in the ATIX hotel, La Paz, Bolivia, please register <u>here</u>.
